**Aim:**

Design an Online Restaurant Website having tabs as About, Menu, Contact and Order Now,

- In About- use paragraph, use different font styling for displaying the information about the restaurant.
- In Menu- use table and listing for displaying the menu items.
- In Order Now- use forms having field as customer name, address, location, menu items, cost, total, etc.
- In Contact- display the contact information with the location and map.
- Use Header for displaying the tabs and Footer for displaying shop timing, social media partners & delivery partners.

Assume suitable data wherever it is required.
